Buy.com certainly has so many juicy offers every now and then. Personally, I have identified a few that are simply irresistible. For example, if you take a look at the Philips 100W Sound System, Memorex 32" HDTV and Jukebox w/ CD Player (Excalibur RD66-CC) which I have listed below, these electronics come with a nifty rebate for your purchase. I'm sure you'll find the price to be the most attractive in the market. As a reminder, make sure you click on the BLACK links below the products to refer your browser specifically to Buy.com product pages.
