

## Garmin-Asus nuvifone M10

Sunday, 04 April 2010

If you are thinking of getting a GPS, I'm sure the Garmin-Asus nuvifone M10 is one of the perfect GPS unit for you. And if your current situation is in India, I'm pretty sure that you'd be delighted to know that the Garmin-Asus nuvifone M10 is already selling like hotcakes in your respective area.

On the other hand, the Indian version of the Garmin-Asus nuvifone M10 comes preloaded with Nokia's Navteq system, whereby the system will come with all the available map data in your area.

Take a look at the Garmin-Asus nuvifone M10:
