

UFO Joe

Sunday, 24 December 2006

Play an alien (UFO Joe) in the quest to abduct fellow earthling creatures. There are 4 worlds all together. Use your up, down, left, and right cursor key to pilot your starship (USS Enterprise). Press spacebar to activate the abduction beam. Watch out! while you pilot your ship. Each bump will damage it even more and your spaceship might blow up.

Difficulty: Easy

Rating (1 to 10): 7

Level of Addiction (1 to 10): 8.5
