

## A Cruise to the Caribbean

Sunday, 19 August 2007

Having long holidays is fun &ndash; I&rsquo;m here in London for a month and I&rsquo;m enjoying the weather. If you like cruises, try going for caribbean cruises. Have you seen the latest Pirates of the Caribbean? I bet the sea is beautiful and the beaches look fantastic. I&rsquo;m sure that will be my next destination! &ndash; To visit sun, sand and sea. If you can&rsquo;t remember the last time you were on a vacation &ndash; it&rsquo;s time for one!
